Bucko Construction Company, Inc.  
890 Chase Street  
Gary, Indiana 46404

Re: 089-15916-00179  
First Administrative Amendment to  
FESOP F089-8980-00179

Dear Mr. Bucko:

Bucko Construction Company, Inc. was issued a FESOP permit on May 7, 1998 for a stationary 400 ton per hour batch mix hot asphalt production plant. The FESOP was amended January 28, 2002 by adding a portable recycled asphalt crusher to their asphalt production source. The portable asphalt crusher has a capacity of 125 tons of asphalt per hour. Because of the potential to emit was less than five (5) pounds per hour and twenty-five (25) pounds per day, the portable asphalt crusher was deemed an insignificant activity. A letter requesting a change in relocation of the portable asphalt crusher was received on July 25, 2002. Pursuant to the provisions of 326 IAC 2-8-10 the permit is hereby administratively amended as follows:

Section C.29 was amended to allow the relocation of the portable asphalt crusher identified as CR-1 to relocate to the locations identified in FESOP 089-8980-00179 and FESOP 089-11341-00103. A thirty (30) day requirement still exists for notification of the relocation but will not require a "Relocation Site Approval" letter unless the portable asphalt plant is relocated to any other site. Any other site relocation request would require the conditions of 326 IAC 2-14-4 to be followed. The following changes were made to C.29:

C.29 Relocation of Portable Sources [326 IAC 2-14-4]

---

- (a) The asphalt crusher, identified as CR-1, is approved for operation in all areas of Indiana. This determination is based on the requirements of Prevention of Significant Deterioration in 326 IAC 2-2 and 40 CFR 52.21, and Emission Offset requirements in 326 IAC 2-3. A thirty (30) day advance notice of relocation must be given to IDEM, OAQ, ~~and a~~ **A "Relocation Site Approval" letter must be obtained before relocating to any site other than those in permit 089-11341-00103 and 089-8980-00179.** The notification by the Permittee does require the certification by the "authorized individual" as defined by 326 IAC 2-1.1-1(1).

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

C.29 Relocation of Portable Sources [326 IAC 2-14-4]

- (a) The asphalt crusher, identified as CR-1, is approved for operation in all areas of Indiana. This determination is based on the requirements of Prevention of Significant Deterioration in 326 IAC 2-2 and 40 CFR 52.21, and Emission Offset requirements in 326 IAC 2-3. A thirty (30) day advance notice of relocation must be given to IDEM, OAQ. A "Relocation Site Approval" letter must be obtained before relocating to any site other than those in permit 089-11341-00103 and 089-8980-00179. The notification by the Permittee does require the certification by the "authorized individual" as defined by 326 IAC 2-1.1-1(1).
- (b) The Permittee shall also notify the applicable local air pollution control agency when relocating to or from one of the following:
  - (1) Madison County - (Anderson Office of Air Management)
  - (2) City of Evansville plus four (4) miles beyond the corporate limits but not outside Vanderburgh County (Evansville EPA)
  - (3) City of Gary - (Gary Department of Environmental Affairs)
  - (4) City of Hammond - (Hammond Department of Environmental Management)
  - (5) Marion County - (Indianapolis Office of Environmental Services)
  - (6) St. Joseph County - (St. Joseph County Health Department)
  - (7) Vigo County - (Vigo County Air Pollution Control)
- (c) That a valid operation permit consists of this document and any subsequent "Relocation Site Approval" letter specifying the current location of the asphalt crusher (CR-1).
